PECUNA FACTOREM · CALL TO ACTION LIBRARY · UPDATED 13 OCTOBER 2026

Call to Action Library

Approved calls to action for YouTube descriptions, LinkedIn posts and pinned comments. Newest and preferred at the top. Copy the text exactly; swap any [PLACEHOLDER] for the real link before publishing.

CTA 01 · PERSONAL CHAT (WHATSAPP) PINNED · USE FIRST

Want to chat? Message me on WhatsApp

> Want to chat? Give me a message on WhatsApp. This is my personal number 👉
> https://pecunafactorem.com/contact

Use: line 1 of every YouTube description; end of LinkedIn posts; pinned comment. **First used:** ICP Buyer Research video (I Built an AI Agent That Finds Your Buyers' Exact Words).

CTA 02 · BOOK A CALL (DONE FOR YOU)

Want this built for you?

> Want this built for your agency or business? Book a call: [BOOKING LINK]

Use: YouTube description, line 2 or after the summary. **First used:** ICP Buyer Research video.

CTA 03 · HOW WE CAN HELP (CLOSING BLOCK)

How we can help

> How we can help
> If you'd like help building ICP research for your clients, creating your own video-script skill, or feeling confident speaking on camera, book a call: [BOOKING LINK]

Use: end of YouTube descriptions, after the chapters. Edit the three services to match the video.

CTA 04 · LINKEDIN, NATIVE VIDEO

Book a call (LinkedIn)

> Want this built for your business? Book a call: [BOOKING LINK]

Use: last line of a LinkedIn post when the video is uploaded natively.

CTA 05 · LINKEDIN, LINK SHARE

Watch the full walkthrough

> Full walkthrough, including the live report: [YOUTUBE LINK]

Use: LinkedIn post that points to the YouTube video. Change "including the live report" to the video's best moment.

CTA 06 · SKILL BUILD

Build your own script skill

> Want help building your own video-script skill? Book a call: [BOOKING LINK]

Use: videos about AI scripts, Claude skills or speaking on camera.

Rules: one main CTA per post (CTA 01 by default). Never invent links; use the placeholders until the real link is known. Add new CTAs at the top of this list with the date and the video they were first used on.
